

*A taste of authentic Indian & Goan  
homestyle cooking from scratch!*

We specialize in food from the region of Goa.

A coastal state in India, where the cuisine was heavily influenced by 450 years of Portuguese presence. Little Goan Cafe is the only place in Novato where you can enjoy this style of seafood, coconut curries, and traditional vindaloos. The food is warmed with spices of clove & cinnamon, and our hearts are warmed by sharing our heritage with you & your family.
